

# VT<sub>E</sub>X Font Addon: BBold

MK

June 11, 1998

## 1 Introduction

BBold is a popular math font family created by Alan Jeffrey ([alanjecogs.susx.ac.uk](mailto:alanjecogs.susx.ac.uk)) in 1994 with the help of METAFONT. The font family is available in METAFONT sources from CTAN.

## 2 What was done

We have built VT<sub>E</sub>X's native vector fonts in IF4 and Type1 formats from METAFONT sources. Starting with version 6.01 BBold Font addon is included in VT<sub>E</sub>X distribution.

## 3 How to use it

Alan Jeffrey supplied short documentation on font itself and its usage. Please, [refer it for the additional information](#).
