

VT_EX Font Addon: St Mary's Road Symbol Font

MK

June 11, 1998

1 Introduction

St Mary's Font is a popular math symbol font created by by Jeremy Gibbons and Alan Jeffrey in 1994 with the help of METAFONT. The font family is available in METAFONT sources from CTAN.

2 What was done

We have built VT_EX's native vector fonts in IF4 and Type1 formats from METAFONT sources. Starting with version 6.01 St Mary's Font addon is included in VT_EX distribution.

3 How to use it

Authors supplied excellent documentation on font itself and its usage. Please, [refer it for the additional information](#).
